Avitus Group Goes Pink for Breast Cancer Awareness

It is that time of year again; when all the leaves turn, the weather cools and the whole nation, including NFL football, turns pink to celebrate Breast Cancer Awareness Month. This year [Avitus Group](#) is joining the fight with a great fundraiser to help battle breast cancer. For the month of October, Avitus Group will be selling Pink Branded Pins. All proceeds from the pins will go to the [Eva Project](#) to help detect and diagnose cancer.

Paying employees means more than just issuing checks. Your company also needs to keep accurate records for current and past employees for a certain period of time. There are record requirements from both the IRS and the U.S Department of Labor, which enforces employment rules for several other federal agencies.
