The New Option

Avitus Dental

Where are you missing opportunity?

“Our dental clients have found relief by understanding how to optimize their operations and can now focus on growing their practices.”

Avitus Dental

Practice Management

We conduct a complete practice analysis to identify any areas of concern and help you establish an action plan to ensure efficiency in patient and cash flow.

Avitus Dental

Virtual Billing and Collections

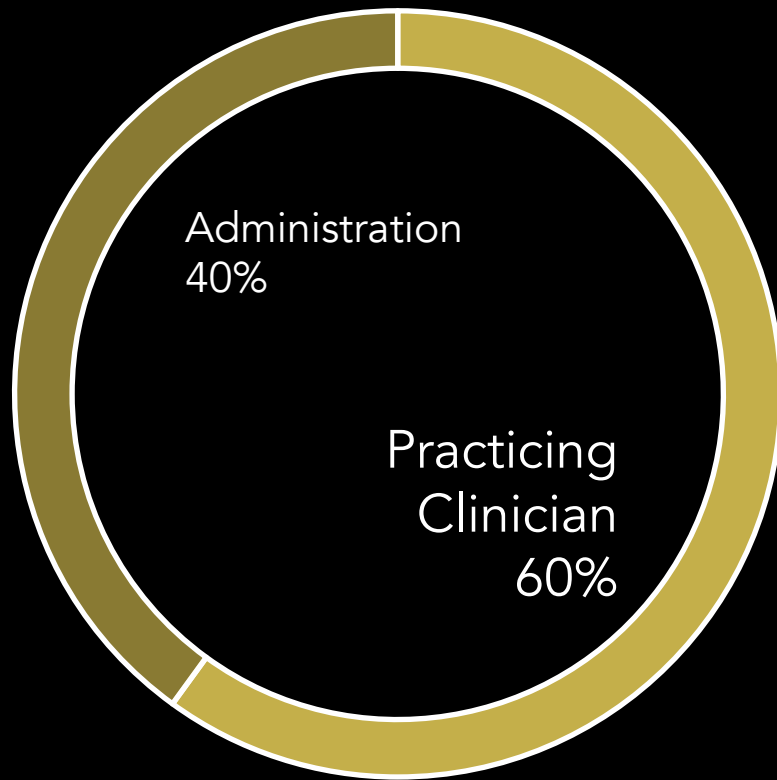

This service allows the practitioner to eliminate a position within the practice while guaranteeing cash flow and insurance billing accuracy and accountability.

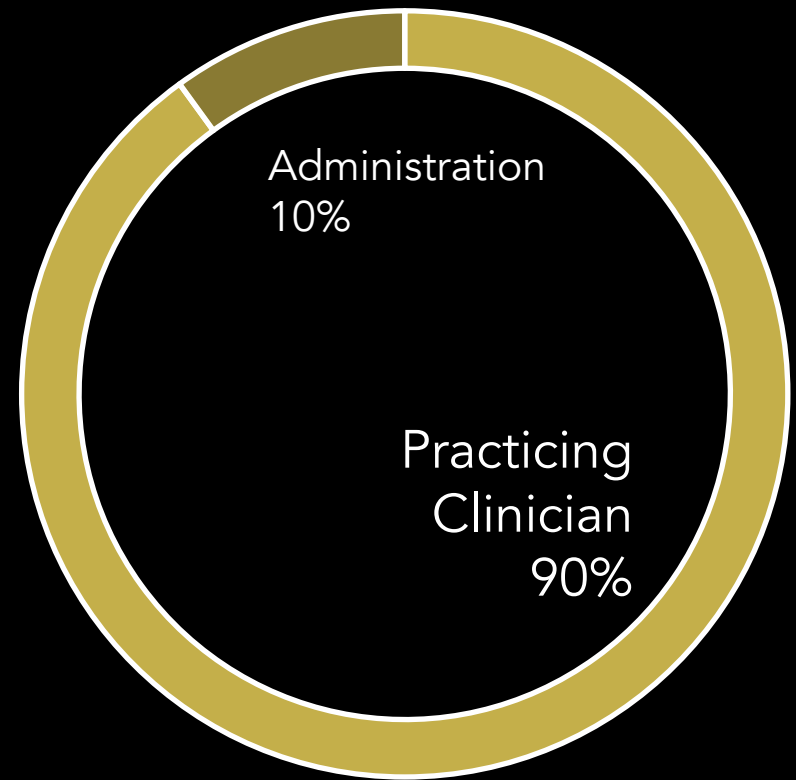

Avitus Dental

Before Avitus Dental

High administrative obligations
with reduced patient time

With Avitus Dental

Increased patient time with
low administrative obligations
