

Professional Acceleration

Slide 1 (Cover)

Business Development Team Member: Professional Acceleration is the training and talent development division within Avitus Group.

Slide 2 (Why Avitus Professional Acceleration)

- Productivity
- Retention
- Culture
- Risk Mitigation

BDTM: *Business leaders today recognize that People are their greatest asset. This is why they are committing more time and financial resources to the development of their teams. Companies that invest in this area will see..*

- *Increased workforce Productivity through ongoing learning and skills development. (Point to Productivity graphic)*
- *Higher employee Retention rates resulting from your investment in their personal growth (Point to Retention graphic)*
- *Stronger company Culture leading to increased performance and workplace satisfaction. (Point to Culture graphic)*
- *And reduced Risk through compliance with workplace regulations. (Point to Risk Mitigation graphic)*

Slide 3 (Why we're different)

1. Train: Training customized to achieve bottom-line results.
2. Apply: Skill-based trainings built on real life scenarios.
3. Results: Proven results with immediate impact.

BDTM: *Our services are designed around you and the needs of your business. By offering real life, skill-based training in a highly engaging format, employees can quickly apply what they learn, which produces results that show up on your bottom-line.*

Slide 4 (3 Pillars of Development)

- Individuals & Teams
- Leadership & Managers
- Foundational

BDTM: *We offer training and HR consulting services within three pillars:*

- *In the Individuals and Teams pillar, we offer workshops that provide skills and insights to improve performance, relationships and communication among individuals and within teams. (Point to Individual & Teams graphic)*
- *For Leaders and Managers, we offer workshop topics valuable for experienced leaders to refine their skills, as well as content designed to accelerate the path for those who are new to a management role. (Point to Leadership & Managers graphic)*
- *And our Foundational category offers content needed by every employee representing your business, along with topics that help you comply with workplace regulations. (Point to Foundational graphic)*

Slide 5 (More Than Training)

- DELIVERED by experts
- REAL LIFE focused
- AVAILABLE On-site and online

BDTM: *Our Professional Acceleration team is made up of experienced experts in their field that go beyond a "One-Size-Fits-All" approach. They focus on developing material that is practical for real life situations. Our experts are available to perform trainings in-person or can host them through our online training platform, whichever fits your needs and budget.*

Slide 6 (Built to Exceed Expectations)

- Expedites employee development
- Accelerates the path to leadership
- Improves company culture
- Promotes team building and cohesiveness
- Strengthens your business

BDTM: *Avitus Professional Acceleration services are tailor-fit to each individual client; providing as much or as little service as your business needs. In order to determine what our service level looks like for your company, we'll want to set up a Discovery Call with one of our Professional Acceleration experts. On that call we'll delve further into your individual business needs, discuss specific areas we can assist with and collect any additional information we need to build a proposal for our services. So, I've got a few quick questions to ask and then we will schedule a time for our call in the next few days...*

(At this point you'll Exit the presentation, go to the RFP to start filling it out and suggest a time for a discovery call)
